

# EuroI<sup>®</sup> Filter Cleaner

## Cleaner for thoroughly cleaning of foam filters

---

### Description:

---

EuroI<sup>®</sup> Filter Cleaner is a high performance, solvent based cleaner, especially developed for thoroughly cleaning of foam filters.

EuroI<sup>®</sup> Filter Cleaner removes dust, grease, (filter) oil and dirt. There is no aggressive reaction with plastic, rubber and other common foam filters.

After cleaning, the filter should be flushed with water and dried. Then a new treatment with EuroI<sup>®</sup> Filter Oil can be performed if necessary.
